Early registration is recommended, and all entries must be received in the Chamber office by April 29th. All spaces are on a first entered and PAID basis. There will be no electrical hook-ups. There will not be water available in the cook-off area, please bring your own water and fire extinguishers. All other rules and regulations are listed on attached sheet, please read carefully, and follow these rules so that we may have a safe and fun cook-off.

Trophies will be awarded to first, second and third place winners in all categories. One trophy will be awarded for Showmanship. A special award for Karnes County Bragging Rights will be awarded. This award is based on Triple Heat categories only.

All persons that are entered in the cook-off may bring their RV in on Friday, May 6th. Only one RV and one vehicle will be allowed in the cook-off area per team. You may stay in the cook-off area until Sunday morning. On Saturday there will be a gate entry of \$10.00. Cook-off teams are exempt from this charge up to 6 members per team. All others will require paying a gate fee. All persons including children will require a wrist band. You will receive your wrist bands and gate passes at check-in for 6 team members and 3 vehicles. The Chamber and Chestnut Arena prefers that in and out traffic by the cook-off teams be kept at a minimum. We are very excited and grateful to the Chestnut Arena for allowing us to have our event there. We will have more space for more teams and plenty of great entertainment is planned for both evenings as well as team roping, mutton bustin' and calf scramble for the kids and more.
